

No Line

Sheila E.

There is no line to my party
Come in and join everybody
The music is go'n make you naughty
Ha, ha!
Ha, ha!
Getting it down suavequito
You and you are bienvenido
Feeling so hot - ay bendito!
Hot!

I feel the magic in the air
Don't gotta be a millionaire
To get down with us tonight
Y cuando la musica te toca
Es como un beso de tu boca
Things are gonna be alright

Singing eyah!
The night is just begun
Singing eyah!
Until the morning sun
Singing eyah!
The night is just begun
Singing eyah!
Until the morning sun

There is no line to my party
Come in and join everybody
Music is go'n make you naughty
Ha, ha!
Ha, ha!
Getting it down suavequito
You and you are bienvenido
Feeling so hot - ay bendito!
Ha, ha!
Ha, ha!

Here everyone's a superstar
Just gotta come as who you are
And show us only love
Y cuando la musica te toca
Es como un beso de tu boca
Hear the music from above

Singing eyah!
The night is just begun
Singing eyah!
Until the morning sun
Singing eyah!
The night is just begun
Singing eyah!
Until the morning sun

There is no line to my party
Come in and join everybody
The music is go'n make you naughty
Ha, ha!

Getting it down suavequito
You and you are bienvenido
Feeling so hot - ay bendito!
