

# Oliver's House

Sheila E.

I heard this afternoon  
From the neighborhood slut, Claudine  
She said Oliver is leaving soon  
So we can make a scene

We're gonna have fun, Oliver's house  
Make a lot of white noise  
Fun, Oliver's house  
Play with the white boys

Last June, Oliver threw  
A party for his girl, Louise  
She got drunk, called me a bitch  
Just 'cause I kissed him

We're gonna have fun, Oliver's house  
Make a lot of white noise  
Fun, Oliver's house  
Play with the white boys

Fun, Oliver's house  
Fun, Oliver's house

Oliver's got a swimming pool  
Piano in his bathroom  
We took turns throwing down  
We took turns throwing up

Gonna have fun, Oliver's house  
Make a lot of white noise  
Fun, Oliver's house  
Play with the white boys

Fun, Oliver's house  
Make a lot of white noise  
Fun, Oliver's house  
Play with the white boys

You should see his mother's room  
She's got so many fine clothes  
Oliver, he dressed me up  
And then he undressed me slowly

Oliver is so weird  
But he knows how to play guitar  
I'm a sucker for a major chord  
A ride in an open car

We're gonna have fun, Oliver's house  
Fun, Oliver's house  
Fun, Oliver's house  
Fun, Oliver's house

We're gonna have fun  
Fun...
