

Please Mr

Shekhinah

Can't help but go back to the days of December

When I'm under the weather
Can't help but go back to the days of December, yeah
I know you still remember
You were the one who let me go, remember
Remember, yeah
But we go through this together
You hold my hand promise me you'll never hurt me the same
Hurt me again and I'll lose myself and forget your name, yeah
From my brain boy you know I'm insane yeah

And I know, it's my choice to love you
I know, it's my choice that I'm
Still missing you boy
Still missing you boy
I'm still missing you boy
I'm tired of missing you boy
I'm tired of missing you so

Please Mr, don't go missing no more yeah
Please Mr, Mr, don't go missing no more
I'm tired of missing you boy
I'm tired of missing you boy, ay
Please Mr, Mr, don't go missing no more, ay
I know yeah
I know yeah (under the weather)
I know yeah (when I'm under the weather)
I know yeah (under the weather)
I know yeah (can't help but go back to the days of December)

We keep playing tug and war yeah
Falling in and out yeah
Falling in and out oh lord and I'm scared, yeah
One day I'll spend all that I got tryna give this love a shot yeah
Please hope you listening to me 'cause i think it's pretty weak
How you got me feeling, knee, knee, knee deep in your love yeah
How I can never leave from your love yeah
But all I really need is your love yeah
And you boy yeah, and you boy

Please Mr, don't go missing no more yeah
Please Mr, Mr, don't go missing no more
I'm tired of missing you boy
I'm tired of missing you boy, ay
Please Mr, Mr, don't go missing no more, ay
I know yeah (please Mr)
I know yeah (under the weather)
I know yeah (when I'm under the weather)
I know yeah (under the weather)
