

Power To She

Shekhinah

I wanna be yeah
I wanna be yeah
An African queen
I wanna be yeah
I wanna be yeah

I wanna be, I wanna be yeah
An African queen
Beads down to my feet yeah
Just time for me to see and you to dream
Big booty till the day I go
I never let what you think of me hold [?] let's go yeah
Know you don't like me coz I don't do what I see I get around on my own two feet yeah
Guess I just don't show enough to get what's in my cup filled up
So I work hard for what I want
You know you pay more for my love

And I, don't gotta say I do
Don't gotta say I do
And I, don't gotta say I do
Don't gotta say I do, yeah

Everybody tryna be a bad girl
Fit into a man's world
When we, inevitably
Yeah we run this word
Power to she
Who knows she is a queen
Who knows she is a queen
Power to she, yeah
I wanna be yeah
I wanna be yeah

Yeah she got the juice
Yeah she got the crown for the juice
Boss with a case and a suit
Yeah, everybody stop when she move
Uncle Saming in this bitch, she a [?] salute
No "L" coz she coming for the win, yeah
Controlling everybody like a sin, yeah
Took it to the top now she super on lock
Go dark she ain't giving out the pin, yea
Double up, double like a twin
Gotta work, work, work for the little that she get
African queen and she taking out her best
Mama do the most when you looking at the rest, no, no

And I, don't gotta say I do
Don't gotta say I do
No, I don't gotta say I do, yeah
Don't gotta say I do
Don't gotta say I do
I be quenning twenty four seven and I never need a reason
African queen no I never need a reason

Everybody tryna be a bad girl

Fit into a man's world
Hen we, inevitably
Yeah we run this word
Power to she
Who knows she is a queen
Who knows she is a queen
Power to she, yeah

And I, I don't gotta say I do
Don't gotta say I do
I be quenning twenty four seven and I never need a reason
African queen no I never need a reason
And I, I don't gotta say I do
Don't gotta say I do
I be quenning twenty four seven and I never need a reason
African queen no I never need a reason
