

## Back Door Front Porch

Shelby Lynne

Palmetto morning  
Dew drips off the mailbox  
Where a letter stays  
Informing me to get back on  
That big airplane  
Been making memories in the wrong place  
Wrong address...  
Blacktop highways  
Ain't a soul in sight for miles  
Drivin' blind  
But I know it like the back of my  
Abandoned mind  
Homesick like this has gotta be  
A sorry crime  
Waste of time  
But I always go back in my mind to...

Back door, front porch, window  
Back door, front porch, window  
Back door, front porch, window

Lost eyes  
Empty moving box holds a toast  
To another time  
Empty vessel  
Broken heart  
Wasted wine  
Ohhhhh

But I always go back in my mind to...  
Back door, front porch, window  
Back door, front porch, window  
Back door, front porch, window
