

## Consequences

Shelby Lynne

Everything I did and thought before today was wrong  
It ain't easy  
The hope of happiness with you has left me all alone  
You don't please me

Lovin' you has consequences  
But, Lord, I hate this pain  
Use me up now I'm defenseless  
Standin' in the rain (Oh, yeah)

Sorry, baby, you don't get to love me anymore  
Regret is lonely  
I know it's hard to give it up (To give it up)  
But you don't get to know me (Mm-mm)

Lovin' you has consequences  
But, Lord, I hate this game  
Use me up now I'm defenseless  
Standin' in the rain

It was a bad way of thinkin'  
That left me all alone  
A bad way of thinkin'  
I must've been out of my mind

Lovin' you has consequences  
But, Lord, I hate this game (Game)  
Use me up now I'm defenseless  
Standin' in the rain

Standin'  
(I'm standin')  
Lovin' you has consequences  
I can't stand the rain  
Or the pain  
Lovin' you has consequences  
Say it with me  
Lovin' you has consequences  
Lord, I hate this pain (I can't stand the pain)  
Use me up now I'm defenseless  
(I'm out)  
Standin' in the rain
