

## Talkin' to Myself Again

Shelby Lynne

Good mornin', darlin'  
Can I bring you some coffee in bed?  
Did you sleep well?  
We got a full day ahead  
I love you too dear, I love you too

Talkin' to myself again  
Ever since he left, that's how it's been  
Goin' crazy, playin' just pretend that everything is still ok  
Talkin' to myself again  
Without his lovin' I am at loose ends  
If I'm not careful they will have to send someone to lock me aw  
ay

Good night honey  
Sure had a beautiful day  
Ain't we lucky to have each other this way  
I'm so happy too, dear  
So happy too

Talkin' to myself again  
Ever since he left, that's how it's been  
Goin' crazy, playin' just pretend that everything is still ok  
Talkin' to myself again  
Without his lovin' I am at loose ends  
If I'm not careful they will have to send someone to lock me aw  
ay  
Talkin' to myself again
