

## Be Prepared

Shellac

I was born wearing pants  
be prepared  
I was born standing up  
be prepared  
don't be ashamed  
you were born unadorned  
be prepared

I was born embroiled in an argument  
be prepared  
I was born with twenty bucks in my pocket  
be prepared  
don't be alarmed  
we mean you no harm  
be prepared

I was born already tall  
be prepared  
I was born wearing spats and a dickie  
be prepared  
don't be ashamed  
you were born unadorned  
be prepared
