

Rambler Song

Shellac

I've got a girlfriend
you can't have her
I've got a racetrack in my yard
I've got an a-frame
I've got a speedway
I've got a goofball in my hand

She's a winner

I've got a racecar
kind of a sculpture
I've got a rambler in my yard

Shes a winner, despite her age
Shes a winner, despite her age

I've got a racecar
Kind of a sculpture
I've got a rambler in my yard

Shes a winner
You wanna ride with a winner?

I got a witness
Just about useless
Seen a lotta things happen in my car
Oh god I
god miss my rambler
