

After Forever

Shelter

Have you ever thought about your soul? Can it be saved? Perhaps you think that when you're dead you just lay in your grave. Is God just a thought within your head or is he part of you? Is Christ just a name that you read in a book when you were in school? When you think about death do you lose your breath? Do you lose your cool? Would you like to see the Pope on the end of a rope? Do you think he's a fool? Well I've seen the truth and I've seen the Light and I've changed my ways. I'll be prepared when you're lonely and scared at the end of your days. What's after forever? I think that it's true it was people like you that crucified Christ. And I think that it's sad the opinion you had was the only one voiced. God's the only one who can save you now from all this sin and hate. But will you still jeer at all that you hear? Yes, I think it's all too late
