

Freewill

Shelter

Propaganda turns you vs. me, and you say you want me to be free . You say I've lost my identity, if I don't fit into your concept of reality. You measure success by possessing my freewill. Cause I want the best I'll always attest to my freewill. Suspicion, how's your vision? And I just want some insight, I don't want to fight to prove I'm better than anyone else. But the chains that you claim are restraining my brain, are attached to yourself. Attached to yourself. I don't want anyone to control my mind, so you make your decisions and I'll make mine. Without hearing me out you've drawn the line - Well that's dogma, just a different kind. You measure success by possessing my freewill. Cause I want the best I'll always attest to my freewill. Suspicion, how's your vision? And I just want some insight, I don't want to fight or prove I'm better than anyone else. But the chains that you claim are restraining my brain, are attached to yourself. Freewill. Deprogrammers want to program me. How is that for Irony? To be like someone you want me to be, if I disagree with your philosophy! You measure success by possessing my freewill. Cause I want the best I'll always attest to my freewill. You measure success by how you possess my freewill. Cause I want the best I'll always attest to my freewill. Freewill, I will
