

Changes

Shenandoah

Changes, we're making changes
Rearranging our lives
Strangers, lonely strangers
Old friends in disguise

But I don't love you any less today
Then I did before
But you don't love me
Hunny, you don't love me
You don't love me anymore

Memories, cardboard memories
Boxes stacked in the hall
Feelings, misplaced feelings
One time we had it all

But I don't love you any less today
Then I did before
But you don't love me
Hunny, you don't love me
You don't love me anymore

Who knows when love goes
When it disappears
I used to turn to you
Who knows where I'll go from here

'Cause I don't love you any less today
Then I did before
But you don't love me
Hunny, you don't love me
You just don't love me anymore

Changes, we're making changes
Rearranging our lives
