A who you deh with mek things a gwaan fi you so
A weh you a do, girl, hehe
Me hear seh a no you write your song dem
And you cyaan record dem with da voice deh
Yet you look so, me cyaan bother, ha

People talk, but they don't know
They talk, but they don't know
They talk, but they don't know
People talk, but they don't know

Shape good, pretty face
But you will never know weh me face
And if me tell you, you a go feel it gi' you authority
Fi come try and step out a your place
With me, so me wul me own, so nobody cyaan blackmail or disgrace
A no fastest, a the strongest, who can endure a go fit fi the race
Yo, my life a no your life so no bother try come even judge me
Lowe me, mek me plant me seed
Fi reap success fi myself and fi me damn pickney
Trust who? You cyaan trick me
Try defeat, cyaan stop me
All when me blind, me a see the victory
Head mad like a time bomb, try tick me

Anonymous, you no know me
And you will never ever ever know me
Face paint picture, but songs write the story
Who understand, only God be the glory
Seh me bad, me no bad yet
You no see half a the road me a go trod yet
Rumours, negative talk, bullshit
That flush that dung the toilet
'Cause

People talk, but they don't know (dem badmind)
They talk, but they don't know (judgemental)
They talk, but they don't know
People talk, but they don't know

People talk, but they don't know (when dem badmind)
They talk, but they don't know (so judgemental)
They talk, but they don't know
People talk, but they don't know

Lie to me face, like the devil
When me cuss, dem seh me miserable
Tell you this, sumady hav' sum'n fi seh
Fi try mek your life well irritable
Things weh get talk, it unforgivable
Cyaan wash me dung, me no fresh vegetable
Born as a rebel, me mek fi this, me no vulnerable
A better life, that a me destiny
Sufferation, that never mek fi me
Most a who mek it, fight the young ones
Dem figet life hard, that me get fi see

From you badmind (badmind)
Drop a sleep like a your bed time
Stand behind or go join the next line
A no your time, but now a mine

Me nah stop try (me nah stop try)
Me nah stop try (me nah stop try)
Nah stop try (nah stop try)
Nah stop try, all when me high
Me nah stop fly, nah stop fly
Me see you a do your thing, mek dem talk
