Baby this is easy don't fuck up the mood  
We going so right ain't much wrong we can do  
Mi just want please you, so baby  
Don't worry bout nobody I used to know  
We should move like waves and just let it flow

Hmm if you want put it on mi nuh worry bout my punany  
Know u well waah fuck a yawdie  
Nuttin else matter when wi horny  
Baby if yuh want mi nuh worry bout my punany

Worry bout yourself and not another man  
And if we kick it do it like a Jackie Chan  
Mi Know you have beaches (bitches) like sand  
But mi new suh you pay attention  
Want fi touch touch  
Up mi nuff nuff  
But if you get some a this you ago in love  
From its in my past don't discuss  
Overthinking kills trust

So don't you worry  
About nobody that I used to know  
That I used to know  
We should move like waves baby and just let it flow

If you want put it on mi no worry bout my punany  
Know u well want fuck a yawdie  
Nothing else matter when wi horny  
Baby if you want mi don't worry bout my punany yh  
You wanna fuck a yawdie  
Suh nuttin else matter when wi horny
