

Happy Juk

Shenseea

The indicator nah work because the bulb blow
Pop two side and mi bounce pon mi toe
Whine you waistline take time, move slow
And move you elbow like a boat you a row
Happy juk me a do, pose like domino
Hand pon your knee then crouch down low
Any gyal nah do this a real poppy show
Happy juk a run the place incase you nuh know say

A da dance yah a take over
A da dance yah a take over
A da dance yah a take over
When it drop the place turn over
A da dance yah a take over
A da dance yah a take over
A da dance yah a take over
When it drop the place turn over

Gyal whine and pop
Gyal whine and pop
Push back left, right, then to the top
Whine and pop
Gyal whine and pop
Push back left, right, then straight to the top

Gyal don't stop whine and go down, go down
You fi do the happy juk rather old or young
Shake up you body a nuh time fi sit down
Just tek a gyal man then you wheel and turn

A da dance yah a take over
A da dance yah a take over
A da dance yah a take over
When it drop the place turn over
A da dance yah a take over
A da dance yah a take over
A da dance yah a take over
When it drop the place turn over
