

# Lying If I Call It Love

Shenseea

You do me right  
But I'm lying if I call it love  
I try, I try  
But I just can't get a grip on us  
Ooh, your sex is amazing but baby that's just not enough  
I try, I try but I'm lying if I call it love

Bad to the bone  
Him not do it polite  
He's a fool when he slip it inside  
Cold slaughter  
Warm water  
Him fuck me confident  
But I'm proceeding with caution  
'Cause you been adding emotion  
That head so good it's the resist  
My pum-pum the tightest  
My pum-pum-boom-boom-boom  
Boom-boom-boom-boom-boom-boom

You do me right  
But I'm lying if I call it love  
I try, I try  
But I just can't get a grip on us  
Ooh, your sex is amazing but baby that's just not enough  
I try, I try but I'm lying if I call it love
