Shenseea

Lot mi tell you bout mi feel

No lift weights but mi feeling strong want turn my present man to ex man

You have everything

Way mi want babe you seen like a potential man

Love when the main man acting up wrong because I get time to call mi potential man

A.K.A the weather man because you know if make the

Thing fall (potential man)

My man fall short but mi na miss out because who fa own tall potential Man y ah

Everyday is another fight. Mi man under my skin like a cellulite

But anytime mi no with mi miss you hug and kiss you

Mi have a man way full a gyal but that not a issue

You are my future mi nah go even dis you

And if mi if go back go the past me would a pick you

Sexually you please mi

Mi no a if ask you if three day past then babe a past you

Mi man a give mi bum so mi make you past

Though you fuck me good so me a if thank you

Make mi a if say ayo make mi bawl out ayo

Wine pan thing mi a bounce like a spring you send it way up make mi bawl out

Ayo mi bal out ayo the more mi a bawl you push it further

You paint up mi wall like tine a berger

Love when the main man acting up because

Me get time to call mi potential man

A.K.A the weather man because you know if make the thing fall (potential man)

My man fall short but mi na miss out because who fa own tall potential

Man yah. Everyday is another fight

Mi man under my skin like a cellulite

Mi wish mi man could a see we fuck so mi can learn enuh

Love when you kotch mi up pan the furniture birthday suit we ready

Fi the journey a griping tight skin to skin

Call me when you ready mi will see you wava mi will open mi gate so you can see heaven

In a day light I'm your friend you're my friend but to night we a fuck again fuck again

Love when the main man acting wrong because I get time to call mi
