

# Rock The Floor

Shenseea

Ooooh  
Feel good music now, hey  
Feel good music now, hey  
Come on  
Make a move now  
Ding Dong, Shenseea  
Make a move now  
Get busy now  
Get crazy  
Let's move now  
Oh! oh  
Come on! Come on  
Wooooo

And I like to know where  
You got the motion  
Said I like to know where  
You got the motion  
So rock the floor  
Just rock the floor baby  
Rock the floor  
Turn the club over  
Rock the floor  
Rock the floor baby  
Rock the floooooor

The vibes right and I'm feeling good  
Happy and blessed, as the way I should  
Dancing a way I never thought I could  
I'm captured in the riddim like a fowl in a coop  
Plus when I'm dancing everybody knows I'm a different person  
Lost in the melody like a missing person  
Not rich, but in fun I'm a wealthy person  
On the floor I move light as a curtain

And I like to know where  
You got the motion  
Said I like to know where  
You got the motion  
So rock the floor  
Just rock the floor baby  
Rock the floor  
Turn the club over  
Rock the floor  
Rock the floor baby  
Rock the floooooor

Hold on, me cyan manage another drink  
Wonder if me a see doubles or she's giving me the wink  
Anyway, inna due time me will get the link  
Me just a sign up the floor with me dancing team  
The music control me like a puppet pon a string  
The riddim a the rope and mi body just a swing  
Everybody deh yah fi a purpose, this a my calling  
Pretty girl, join me inna di dancing ring

Boy, I like the way you move your body

So rock the floor  
Just rock the floor baby  
Rock the floor  
Turn the club over
