

Tap Out

Shenseea

Murder, murder
Me under murder
Wen you put me ina backaz, it go further
Slippery, wet, wet
Me need a surfer
Gi me ruff it up caa me nuh wa nothing nurture
Better you pull out, don't come any time yet
You wan buss, me see it clear like a psychic
Mash up me something when me stab it like a ice pick

Me nah tapout fi now
Nah tapout fi now
Nah tapout fi now
Nah tapout fi now
And me can bet
Say you can't let go
No, you can't let go
Me have you under control with di right grip
If you tapout then you sure fi miss out
Pon a bad position weh you might get
See how long you can go
See how long you can go
Me nuh ready fi tapout any time yet
Yet, yet, yet

Knockout!
Come show me weh you a chat 'bout
Keep it steady now
Dis you did a beg inu so no run out a breath enu
Clap it and slap it loud like inna the ghetto
One round
Shouldn't make you feel like drop down
'Cause me ago judge if you perform poorly
What a sad story
Me a tell if you dead pon me

Me nah tapout fi now
Nah tapout fi now
Nah tapout fi now
And me can bet
Say you can't let go
No, you can't let go
Me have you under control with di right grip
If you tapout then you sure fi miss out
Pon a bad position weh you might get
See how long you can go
See how ling you can go
Me nuh ready fi tapout any time yet
Yet, yet, yet
