

# The Sidechick Song

Shenseea

Make mi tell uno a likkle story  
Mi have a man weh have a woman  
Weh kno know 'bout mi  
Mi know she but she no know mi  
The buddy make mi happy  
Though mi no own it

This a the original sidechick song  
Mi up inna mi feelings fi a next gyal man  
Mi know it wrong but it neva plan normally  
Mi a wife mi no hold sidechick position

This ano my style anno so mi ton  
Mi up inna mi feelings fi a next gyal man  
Mi know it wrong but it neva plan normally  
Mi a wify

Mi no like bun if yuh lie mi no forgive  
So mi feel a like betta if a me him cheat with  
When you addi wife you no know who him a frig  
Oo wen you deh pon the side a you him a tell everything

Him rate mi highly  
Spoil mi treat mi like a wifey  
Have respect naa text wen him beside mi  
The only thing a say mi low key and we privite  
and if mi see them pon the gram mi affi avoid it

Just know say mi naa go confront no gyal  
Not no type to search and contact no gyal  
If mi see them together mi in my feelings  
But still mi naa leave him

This a the original sidechick song  
Mi up inna mi feelings fi a next gyal man  
Mi know it wrong but it neva plan normally  
Mi a wife mi no hold sidechick position

This ano my style anno so mi ton  
Mi up inna mi feelings fi a next gyal man  
Mi know it wrong but it neva plan normally  
Mi a wify

A man is always gonna cheat caa it benifit him  
Gimmi anything mi waa so mi naa go stress him  
Prefer know who him a fuck than be the victim  
Cause if mi find out from a stranger mi aggo left him

Anno like mi no know mi worth  
Mi well alert mi can get hurt  
We eva a flirt him make mi happy  
So mi aggo make it work  
Mi comfortable although mi anno first

Plus special occasion a her day  
Mi get fi see him after the birthday  
If mi see them together mi in my feelings

But still mi naa leave him

This a the original sidechick song  
Mi up inna mi feelings fi a next gyal man  
Mi know it wrong but it neva plan normally  
Mi a wife mi no hold sidechick position

This ano my style anno so mi ton  
Mi up inna mi feelings fi a next gyal man  
Mi know it wrong but it neva plan normally  
Mi a wify

Mi no really know who the bowy  
A take fi fool cause mi know him love mi  
And mi know him love she  
But mi a go with the flow  
Naa disturb the peace  
Make it flow on naturally

Anno like mi no know mi worth  
Mi well alert mi know mi can get hurt  
It make mi happy so mi aggo make it work  
Fi now
