Shenseea
Oh, aah, oh
Oh, aah, oh, oh, oh

Aah
Oh, oh, oh, oh, oh
Aah, aah... aah
Shatta Wale
Watch this
When you see me lean to the left, lean to the right
Da whine yah right a the wickedest
When you see me lean to the right, lean to the left
Da whine yah right a the wickedest

Ain't nobody make me move, like the way you make me do You alone get me moving like this
Ain't nobody make me groove, how I do when I'm with you You alone get me moving like that
Moving like that, moving like that
You alone get me moving like that
You alone get me moving like that
You alone get me moving like that

Gyal, you know say, you hot when you whine weh you got Me love that whine weh you got Me say one hot, like? bubble in a pot Like? bubble in a pot You deh make I dey cray, cray, cray Gyal open me up, up, up, up The way you da do, do the dancehall Everybody see say a the light your way Ba-ba-ba-ba bubble gyal, you got the answer Onokofe me yeah, you a me champion Dance for me, me love your body body Girl you know say wen it come to a party No, no, no, nobody When I dance and you dance so oo When I move and you move oo Ebi like say we be dance am badder, We dey dance dance aa Shatta Wale and Shenseea

Ain't nobody make me move, like the way you make me do You alone get me moving like this
Ain't nobody make me groove, how I do when I'm with you You alone get me moving like that
Moving like that, moving like that
You alone get me moving like that
You alone get me moving like that
You alone get me moving like that

When me shake up, whole place quake up
Me and you fi deh, you no waan fi break up
Gyal, you know me status as all dema rate us
U no say me ano be juju abi latex
Turn around
Gyal, whine, go down

Happiness time we no waan you fi frown Baby, a you me body bawl and a calling out Like the window me bumper be rolling down

Ain't nobody make me move, like the way you make me do You alone get me moving like this Ain't nobody make me groove, how I do when I'm with you You alone get me moving like that Moving like that, moving like that You alone get me moving like that Moving like that, moving like that You alone get me moving like that Ain't nobody make me move, like the way you make me do You alone get me moving like this Ain't nobody make me groove, how I do when I'm with you You alone get me moving like that Moving like that, moving like that You alone get me moving like that Moving like that, moving like that You alone get me moving like that

Hey aah
Nobody...
Nobody, n9obody, nobody, aah, aah...
Oh, oh
Whoa, oh, oh
Whoa, oh, oh...
