

Two wrongs cyaan make a right
Cyaan say you trust me an' you nah stop search up me things
That mean a lie you tell me, it no right

A you search me phone and you know seh you shouldn't do that
Nah defend your actions, me no quarter back
Keep chattel like seh you a me almanac
You seh a my lost, but me no want you back
From you wrong, me a tell you seh you wrong
If you never bruk me code, you would a know seh me have a man
Seh me go a London fi go fuck Jordan
Though you well insecure, me never abandon

You lie, you lie
Seh you trust me, but best if me try deny
You lie, you lie
If you claim seh you rate me, then why you spy
You lie, you lie
Stop lurk you, a seh you me hard fi try
You lie, you lie
So me a go lef' you fi be with the next guy

The point is not seh me unfaithful
Never diss in-front your face, you should a well grateful
The fact is seh you invade inna me privacy
It well clear, seh you nah no respect fi me
You me blame, see weh you nuh fi see
Then you hurt vex and a cuss
Seh you nuh trust woman, dem a dirt
When you fi rest fi next morning a work
One AM. In a the night 'pon me phone you a lurk

You lie, you lie
Seh you trust me, but best if me try deny
You lie, you lie
If you claim seh you rate me, then why you spy
You lie, you lie
Stop lurk you, a seh you me hard fi try
You lie, you lie
So me a go lef' you fi be with the next guy

Me never yet search you phone
Me no trouble weh you own
Seh you a big man
But your actions show me seh, you no fully grown
Dweet once, twice, dweet back again
All when we great, you a search fi problem
Complain till me weak, you nah comprehend
So me lef' you fi me other boyfriend

You lie, you lie
Seh you trust me, but best if me try deny
You lie, you lie
If you claim seh you rate me, then why you spy
You lie, you lie
Stop lurk you, a seh you me hard fi try
You lie, you lie

So me a go lef' you fi be with the next guy
