

# Animals

Sheppard

The life of the party  
She'll never say sorry  
For dancing around  
She don't have a worry

They whisper in corners  
But she can ignore them  
A girl about town  
Who's just too busy singing

Oooooohhhhh  
She's something of a different kind  
Oooooohhhhh  
Cause she's not gonna fall in line

She can't help it, she's an animal  
Full heart falling down the rabbit hole  
No fear, knocking on the lion's door  
She's always running with the animals

Keep running with the animals  
Keep running with the animals (ahhhh)  
Keep running with the animals  
Keep running with the animals (ahhhh)  
Keep running with the animals  
Keep running with the animals (ahhhh)  
Keep running with the animals  
Keep running with the animals

He's never had money  
Or ever been lucky  
But he don't need a dime  
When he's moving his body

He rides on the wind  
The rhythm within  
He don't need to hide  
Cause he's too busy living

Oooooohhhhh  
He's something of a different kind  
Oooooohhhhh  
Cause he's not gonna fall in line

He can't help it, he's an animal  
Full heart falling down the rabbit hole  
No fear, knocking on the lion's door  
He's always running with the animals

Keep running with the animals  
Keep running with the animals (ahhhh)  
Keep running with the animals  
Keep running with the animals (ahhhh)  
Keep running with the animals  
Keep running with the animals (ahhhh)  
Keep running with the animals  
Keep running with the animals

We could go get lost together  
Maybe we can run forever  
We could go get lost together  
Baby we can run forever

We can't, help it if we're animals  
Full heart, falling down the rabbit hole  
No fear, knocking on the lion's door  
We're always running with the animals

Keep running with the animals  
Keep running with the animals (ahhhh)  
Keep running with the animals  
Keep running with the animals (ahhhh)  
Keep running with the animals  
Keep running with the animals (ahhhh)
