

# Christmas Without You

Sheppard

Christmas time is almost here  
And just like that we've lost another year  
Where do the seasons go?  
From sunny skies to snow (ohh)  
Well I'm sad to say it's true, (mmm)  
It ain't Christmas without you

Carols of the man in red  
Are stuck on loop inside of my head  
But the magic disappears  
(Oo mama hey, oo mama ma)  
When I don't have you here  
(Oo mama hey, oo mama ma)  
Yeah I'm sad to say it's true  
It ain't Christmas without you

But then out there in the darkness  
I can see a shining light  
It might be far across the ocean  
But it tells me you're alright

And it kinda gives me comfort  
Cause I'll see you one day soon  
If I can find the strength to make it through  
This Christmas without you

The stockings on the fireplace  
Try their best to bring a smile to my face  
But the angel on the tree  
(Oo mama hey, oo mama ma)  
It's the way she's mockin' me  
(Oo mama hey, oo mama ma)  
Cause she has the perfect view  
Of my Christmas without you

But then out there in the darkness  
I can see a shining light  
It might be far across the ocean  
But it tells me you're alright

And it kinda gives me comfort  
Cause I'll see you one day soon  
And I know I have the strength to make it through  
This Christmas without you  
Without youuuu...

Ohhhh wohhhhhh  
Ohhhh wohhhhhh  
Ohhhh wohhhhhh  
Ohhhh wohhhhhh  
This Christmas Without You  
Ohhhh wohhhhhh  
Ohhhh wohhhhhh  
Ohhhh wohhhhhh wohhhhhh wohhhhhh  
Ohhhh wohhhhhh wohhhhhh wohhhhhh  
Ooooooooooooooooooooo

And it kinda gives me comfort  
That I'll see you one day soon  
Cause I know I have the strength to make it through  
This Christmas without you
