

Lazy Love

Sheppard

She tells me that she's out with friends
But her friends say she's with me
They tell me that it don't make sense
But it all makes sense to me
It's only half her heart being honest
The other half can't make a promise, no, no
I already know how this ends
'Cause it always ends eventually

Just like a dream
She will be gone in the morning
But that's fine by me

'Cause it's a lazy love
But it's better than nothing
I'm just wasting love
But I'm still gonna jump in
'Cause I'm so messed up
That I'll forgive her for anything
But it's clear to see
She's no good for me

I thought of maybe moving on
Try to meet somebody new
But if I start to slip away
That's when she seems to come through

She's always in and out of the darkness
My head was never the smartest, no, no
She's always got the best excuse
But I don't mind if I'm being used, no

It's hard to breathe
When she's pulling my head underwater
But that's fine by me

'Cause it's a lazy love
But it's better than nothing
I'm just wasting love
But I'm still gonna jump in
'Cause I'm so messed up
That I'll forgive her for anything
But it's clear to see

She's no good for me, yeah
She's no good for me, yeah

Well, her talk is cheap
But somehow I still can't afford it
But she's what I need
So I guess it's fine by me

'Cause it's a lazy love
But it's better than nothing
I'm just wasting love
But I'm still gonna jump in
'Cause I'm so messed up

That I'll forgive her for anything
But it's clear to see

She's no good for me, yeah
She's no good for me, yeah
She's no good for me, yeah
That she's no good for me, yeah
She's no good for me

She's no good for me
She's no good for me, yeah-yeah-yeah
She's no good for me, yeah
