

# Pebble Road

Sheppard

Keep me inside  
See you in time  
Wait by my side  
Wait for sunshine

[Chorus]

Cause it wont take long to get where you wanna go  
If you take it day by day, yeah you take it slow  
Though the path is rough and you're carrying a heavy load  
Soon you'll find your way off the pebble road

I've fought the fight  
I've heard my cry  
I've walked the line  
& found my sunshine

[Chorus]

I've seen the tide  
I've felt it rise  
Swallowed my pride  
Then came sunshine
