Phoenix

Sheppard

Can't bear to watch the news today
Looks like the world is going up in flames
All of the smoke blocking out the sun
Feels like the end has just begun

It's a war zone
Nothing left of our home
So we cry, we cry
But we have heroes
Fighting through the red glow
And we'll rise, we'll rise through the

Smoke in the air
Smoke in the air
Smoke in the air, it creeps into our lungs
It's not the end
It can't be the end
It's not the end cause we will rise above
Like a Phoenix

How can we live in charcoal towns?
How can we breathe if all our trees burn down?

So this is our call
Screaming for some rain fall
As we fight, we fight
With all the heroes
Holding back the red glow
And we'll rise, we'll rise through the

Smoke in the air
Smoke in the air
Smoke in the air, it creeps into our lungs
It's not the end
It can't be the end
It's not the end cause we will rise above
Like a Phoenix

Though the flames are massive
We'll rise up through the ashes
Though the flames are massive
We'll rise up, we'll rise through the

Smoke in the air
Smoke in the air
Smoke in the air
It creeps into our lungs (it creeps into our lungs)
It's not the end (no it's not the end)
It can't be the end (no it can't be)
It's not the end cause we will rise above
Like a Phoenix

Though the flames are massive
We'll rise up through the ashes
Though the flames are massive
We'll rise up, we'll rise up
