

# The Gift

Sheppard

I've lost too much of my time  
Scrolling through the misery  
Starting to mess with my mind  
Drying up my personality

I fall into the blue light  
But I feel like I'm finally done  
We can make it to the daylight  
Levitate with the rising sun

With the world in the palm of our hands  
We like to pretend that we're together  
A billion voices who don't understand  
Darling, the gift is in the present

Fear had me falling behind  
Like somehow I would disappear  
I didn't have a clue that I was broken and blind  
But now I'm 20/20 crystal clear

So I've made it to the daylight  
On my feet, I can finally run  
The colours swirling in my eyes  
As I dance in the rising sun

With the world in the palm of our hands  
We like to pretend that we're together  
A billion voices who don't understand  
Darling, the gift is in the present

Waking up, nah-nah  
Waking up, nah-nah ay  
Waking up, nah-nah  
Waking up, nah-nah ay-oh  
Waking up, nah-nah  
Waking up, nah-nah ay  
Waking up, nah-nah  
Nah-nah, nah-nah

I guess I've hit my data overload  
I'm sick of being someone I don't know  
I'm so connected but I feel alone, alone, alone

With the world in the palm of our hands  
We like to pretend that we're together  
A billion voices who don't understand  
Darling, the gift is in the present

Waking up, nah-nah  
Waking up, nah-nah ay  
Waking up, nah-nah  
Waking up, nah-nah ay-oh  
Waking up, nah-nah  
Waking up, nah-nah ay  
Waking up, nah-nah  
Nah-nah
