Sheppard

You and I and nobody else  
Feeling feelings I've never felt  
The way you got me under your spell  
Don't you keep it all to yourself

So won't you take it?  
I feel like for the first time I am not faking  
Fingers on my buttons and now you're playing  
Master of anticipation, don't you keep it all to yourself

Just a touch of your love is enough  
To knock me off of my feet all week  
Just a touch of your love, oh  
Just a touch of your love, oh  
Just a touch of your love is enough  
To take control of my whole body  
Just a touch of your love, oh  
Just a touch of your love, oh

Photograph with no T-shirt on  
Why you making me wait so long?  
I promise to keep this a secret, I'll never tell  
But don't you keep it all to yourself

So won't you take it?  
I feel like for the first time I am not faking  
Fingers on my buttons and now you're playing  
Master of anticipation, don't you keep it all to yourself

Just a touch of your love is enough  
To knock me off of my feet all week  
Just a touch of your love, oh  
Just a touch of your love, oh  
Just a touch of your love is enough  
To take control of my whole body  
Just a touch of your love, oh  
Just a touch of your love, oh

And now my whole week, my whole week is golden  
Can you see me glowing? That's how I feel  
And I'm not afraid to fade into emotions  
'Cause I know that this could be something real

Just a touch of your love is enough  
To knock me off of my feet all week  
Just a touch of your love, oh  
Just a touch of your love, oh  
Just a touch of your love is enough  
To take control of my whole body  
Just a touch of your love, oh  
Just a touch of your love, oh  
Just a touch of your love, oh!  
Just a touch of your love
