A change would do you good
A change would do you good

God's little gift is on the rag
Poster girl posing in a fashion mag
Canine, feline, Jekyll and Hyde
Wear your fake fur on the inside
Queen of south beach, aging blues
Dinner's at six, wear your cement shoes
I thought you were singing your heart out to me
Your lips were syncing and now I see

A change would do you good
A change would do you good

Chasing dragons with plastic swords
Jack off Jimmy, everybody wants more
Scully and angel on the kitchen floor
And I'm calling Buddy on the ouija board
I've been thinking 'bout catching a train
Leave my phone machine by the radar range
Hello it's me, I'm not at home
If you'd like to reach me, leave me alone

A change would do you good
A change would do you good
Hello, it's me, I'm not at home
If you'd like to reach me, leave me alone

A change would do you good
A change would do you good
