Broken Record

Sheryl Crow

I get tired of hearing myself say
"It's not that hard to be nice"
And I can't see why you get off being
An asshole most of the time

I think kind is really cool
When you're a jerk, you only look like a tool

Sometimes I feel
Like a broken record
Sometimes I feel
Like a broken record
Like a broken record

Anger sucks, but at least your brand's trending
Dude, you must get tired
Well, we were buds, but now I'm unfriending
That's not how I'm wired

You say I'm too sensitive
You call me names, well, let this woke ass live

Sometimes I feel
Like a broken record
Sometimes I feel
Like a broken record
Like a broken record

My mom says, "If you can't say something nice
Something nice
Here comes the soap. Open your mouth up wide."

You're always right, and I'm always wrong
You'll hate me more when you hear this song

Sometimes I feel
Like a broken record
Sometimes I feel
Like a broken record
Like a broken record
Like a broken record

Love wins
Yeah, love wins
Yeah, love wins
