

Lonely Alone

Sheryl Crow

I heard you say bartender make it strong
I had to guess your lover's gone
I don't know and you don't know me
But there's no reason to be lonely alone

Is this seat taken, do you like this song?
Do you tear up when it comes on?
You know it's always the same for me
For there's no reason to be lonely alone

How 'bout a friend that looks like me?
A little gem, a little misery
We could use a little company
Maybe honey that's what we could be

You probably heard this line a thousand times
But you seem like someone I have known
Is it the mesquite or do you agree
There's no reason to be lonely alone

How 'bout a friend that looks like me?
A little gem, a little misery
We could use a little company
Maybe honey that's what we could be

Bartender say's it's closing time
You go your way and I'll go mine
Don't want you thinkin' that I'm easy
There's no reason to be lonely alone
There's no reason to be lonely alone
