

# Over You

Sheryl Crow

I feel like cherry wine  
Like valentines  
Like a spring is coming  
And everything is all right  
I've got a love that's new  
I hear you're happy too  
That's the way it should be  
But lately I feel like crying

I wanna get over you  
But you're everywhere  
And I just can't get away  
I gotta get over you  
Cause it's just not fair  
That I, I still see your face

I heard your name today  
I walked away  
'Cause everyone's still talking  
I don't need that in my life  
Got better things to do  
Than worry about you  
I'm gonna keep on walking  
But sometimes I don't know why

I wanna get over you  
But you're everywhere  
And I just can't get away  
I gotta get over you  
Cause it's just not fair  
That I, I see your face

Well we had a good time  
But time goes on  
You didn't really want me 'til I was gone  
I wanna get over you  
Before you get over me  
Over me

I wanna get over you  
But you just won't let me  
And I can't get away  
I gotta get over you  
But I can't forget your face  
And I settle still reading my □  
I wanna get over you  
But you're always open  
And I, I just can't get away  
I gotta get over you  
Cause it's so unfair  
That I still can see your face
