

# Try Not To Remember

Sheryl Crow

- C D A**  
1. What still remains  
**C D Emi**  
Something unrelenting  
**C D A**  
I'll say the names  
**C D C D**  
Of those I've left behind
- Emi C**  
R: In the still of the night  
**G D**  
Do you laugh, do you cry  
**Emi C A**  
Do you try not to remember?
- If it's a question of fate  
Do you love, do you hate  
Do you try not to remember?
2. I see your eyes  
And my own reflection  
These broken skies  
**C D**  
Again began to melt
3. We are the same  
Fighting for something  
What's left to gain  
**C D C D**  
When there's no means to an end
- R: In the still... (2x)  
Try not to remember. . .
