

You're Not The One

Sheryl Crow

Late last night
I told you
"I cannot do this
I cannot hold you"
I'm about to be gone
There is no choice now
It cannot be done
'Cause you're not the one (Ooh)
(You're not the one)
(Ooh)

I wish I could change the way I feel
I wish I could just get real
I wish I could love you
The way you love me
But it cannot be done
'Cause you're not the one

No, baby, I never lied
You're not the one
Undecided and mystified
You're not the one
Out of control
I cannot deny
You're not the one
No, baby, I never lied
(Please accept my apology)

I never meant for you to see this
I never meant for you to fall in love
(You're not the one)
No, I never meant for you to fall in love
'Cause you're not the one
You're not the one

No, baby, I never lied
You're not the one
Undecided and mystified
You're not the one
Out of control
There is no denying
You're not the one
Ooh, baby, I never lied
You're not the one
Tread softly, I never could
Just not the one
Keep listening, I thought I did
You're not the one
"I love you" I never said
Just not the one
I cannot pretend
You're not the one
You're not the one
(Please accept my apology)
You're not the one (Ooh)
You're just not the one (Ooh)

Uh, uh
Baby, last night I told you (Tread softly, I never could)
"I can't do this, I can't hold you" (Keep listening, I thought I did)
I wish I could change how I feel ("I love you" I never said)
But I cannot pretend (I cannot pretend)
No, no (You're not the one)

Baby, last night I told you (I never lied)
"I can't do this, I can't hold you" (Ooh, undecided and mystified)
I wish I could change how I feel (Out of control, I cannot deny)
But I cannot deny (Oh, baby, I never lied)
You're not the one
Tread softly, I never could
You're not the one
Keep listening, I thought I did
You're not the one
"I love you" I never said
You're not the one
I cannot pretend
You're not the one
