

## Real Man

Shihad

Daddy's got a Porsche to drive in  
Have we got a soul to sell?  
Beyond what we call surviving  
We'll screw you and we'll do it well

A cool cool heart, cold hands and feet  
He's on fire but his shit is weak  
Another reign comes to the end  
As the Earth goes 'round the sun again

Is this a real man? Is this a real man?  
Catch him while you can, tear it down again

Johnny sings punk rock anthem  
And mix it in a surf rock style  
He hasn't got a leg to stand on  
He got a jagged but a monkey smile

A cool cool heart, cold hands and feet  
He's on fire but his shit is weak  
Another reign comes to the end  
As the Earth goes 'round the sun again

Is this for real man? Is this a real man?  
Catch him while you can, tear it down again  
Is this a real man? Oh, is this for real?  
Catch him while you can, tear it down again

You're probably thinking, "why's he being so hard?"  
Just remember that I'm playing a part right  
Now, how about you, feeling blue?  
So cool, you see your playing your part too

Is this for real man? Is this a real man?  
Catch him while you can, tear it down again  
Is this for real man? Oh, is this for real?  
Catch him while you can, tear it down again
