Love is all you ever give, but hate is just the life you live You try your best to move along, but the pain you feel is way t oo strong

And you know it breaks my heart to see you this way I'm stuck on the words that we never say

Life ain't what it always seems to be, and I know I'm missing y ou, you're missing me

I am trying my hardest to make things better, can we make this better?

Some people don't know how to care, there's shattered pieces ev erywhere

The family that you used to know, you plead to stay you wanna g

You know it breaks my heart to see you this way I'm stuck on the words that we never say

Life ain't what it always seems to be and I know I'm missing yo u, you're missing me

And I am wishing, oh God, please make things better, can we make this better?

And you know, the sky just keeps on changing for you, this hope The world just keeps on turning for you, I know we can make thi s better

Can we make this better?

Life ain't what it always seems to be and I know I'm missing yo u, you're missing me

And I am wishing, oh God, please make things better, can we make this better?

Life ain't what it always seems to be and I know I'm missing yo u, you're missing me

And I am wishing, oh God, please make things better, can we make this better?
