

Dangerous

Shinedown

I could stand behind my barricade
Do what I'm told and be afraid to change
While isolated by the mainstream
With the current up against me

Well maybe if my arms were ten feet tall
I could finally reach that crystal ball

'Cause I still find inside
There's something braver
And I, I won't be, I won't be
The silent damnation

I will never be voiceless
My weapon of choice is
I'd rather be dangerous
I won't be left defenseless
As God as my witness
I'd rather be dangerous
Dangerous

I'm not making conversation
But I'll state my observations

Well I could buy my faith like a plot in the ground
But I was never lost and I never had a doubt

'Cause I still find
It's not my imagination
And I, I won't be, I won't be
The silent damnation

I will never be voiceless
My weapon of choice is
I'd rather be dangerous
I won't be left defenseless
As God as my witness
I'd rather be dangerous
Dangerous

Everybody
Is somebody
And anybody is you
I own my story
I won't say sorry
And neither should you

I will never be
I will never be voiceless
My weapon of choice is
I'd rather be dangerous
I won't be left defenseless
As God as my witness
I'd rather be dangerous

Everybody
Is somebody

And anybody is you
I will never be voiceless
As God as my witness
I won't be left defenseless
As God as my witness
I'd rather be dangerous
Dangerous
