

This Is A Warning

Shinedown

This is a warning
Planetary regulators have noticed a decline in your social and
group adherence
These actions and your reluctance to abide by the behavioral st
andards set forth
Are becoming troubling
If there is not a drastic and immediate improvement in your pro
gramming and thinking
We will be forced to turn you over to the populous
For significant social judgement
This carries with it the possibility of loss of status, deletio
n, and even erasure
Thank you in advance for your future cooperation with the stand
ards and policies of Planet Zero
We will be monitoring your behavior going forward with great in
terest
