

1? (One Minute Back)

SHINee

No, that smile is definitely not yours, you look too happy
Yeah, it's just a person who looks like you because those aren't
my arms that you're in

Oh I just need to take a step back before you can see me, I just
need to turn around and leave
I'll turn it back as if nothing happened (we can't lock eyes) but
your eyes are locking with mine (why)

One minute, just one minute (time) turn time back
Just one more minute (time, time) turn the clock back
Just pretend I didn't see that, I'll spend tomorrow like I did
yesterday
One minute, just one minute (time, time) yeah
One minute, one minute, one minute, one minute (more)
One minute, one minute (more) one minute, one minute (more)

We were too hot so you just wanted to cool down and get some fresh
air, I understand
What is this situation? I'm going in a very flustered direction
We're locking eyes and the wandering is coming now, am I that
wind?

I'll pretend I didn't see it, I'll close my eyes, so you pretend
not to see me too
I don't want to know what you chose (don't choose him) avoid my
eyes

One minute, just one minute (time) turn time back
Just one more minute (time, time) turn the clock back
Just pretend I didn't see that, I'll spend tomorrow like I did
yesterday
One minute, just one minute (time, time) yeah

Just stop for one minute, build up the world
It's okay if it stops forever, if only she is by my side, just
like this

One more, one more (to me), give me a chance
A thousand times, ten thousand times (no matter how many times)
I won't lose you
I don't want to hear it, I don't want to know your excuse, your
explanation
One minute, just one minute (time, time) yeah

One minute, just one minute (time) turn time back
Just one more minute (time, time) turn the clock back
Just pretend I didn't see that, I'll spend tomorrow like I did

yesterday

One minute, just one minute (time, time) yeah

One minute, one minute, one minute, one minute (more)

One minute, one minute (more) one minute, one minute (more)
