Last night in my dreams  
You drew close to me  
Your whispered words  
Your hair that brushed against my face

When I woke up from my dream  
It was all too clear  
That your presence was nothing but a dream  
The tears in my eyes told me

You can't, don't leave like this  
Please just one more time, hold me in your arms again  
The next time I close my eyes to meet you  
Hold me as I stay still in that spot

Even when I open my eyes  
Only your figure is clear  
That your presence was nothing but a dream  
The sadness reflected in my tears told me

You can't, don't leave like this  
Please just one more time, hold me in your arms again  
The next time I close my eyes to meet you  
Hold me as I stay still in that spot

I try and even though I try  
I insist, I insist, come back to me

You can't, don't leave like this  
Please just one more time, hold me in your arms again  
You can't, don't leave like this  
Please just one more time, hold me in your arms again  
The next time  
I close my eyes to meet you  
Hold me as I stay still in that spot
