

# Blackjazz Rebels

Shining

1, 2, 3, 4, 5, 6, 7, 8

Smile at Hate, laugh at Fate

We will meet and part and meet again

Blackjazz Rebels, I

Blackjazz Rebels, You

Blackjazz Rebels, We

Blackjazz Rebels,

I am, You are, I

I never needed, I never needed you

We never needed, we never needed you

You never needed, to to to see the truth

You can try to bring us down, but there will be no fight

'Cause this, this is what we do

Blackjazz Rebels, I

Blackjazz Rebels, You

Blackjazz Rebels, We

Blackjazz Rebels,

I am, You are, I

Blackjazz Rebels, You

Blackjazz Rebels, We

Blackjazz Rebels,

I am, You are, I

I know the reason, I know the reason why

I know the reason you can't look me in the eye

You fear the reason I do it my own way

You wanna pick a fight, I won't return your bite

Inside, this is what I say

Blackjazz Rebels, I

Blackjazz Rebels, You

Blackjazz Rebels, We

Blackjazz Rebels,

I am, You are, I

Blackjazz Rebels, You

Blackjazz Rebels, We

Blackjazz Rebels,

I am, You are, I

Why join the ones you beat?

Why walk in circles?

Why join the ones you beat?

Why walk in circles?

Why walk in circles? Why?

Why, why, why, why why, why why?

1, 2, 3, 4, 5, 6, 7, 8

We will meet and part and meet again
