

Need Him Now

Shirley Caesar

If we ever needed the lord before
We sure do need him now
If we ever needed the lord before
We sure do need him now
Oh, sure do need him now

Look at all the trouble today
[?] Cleaning the land
You know it's time to pray
Well, no prank in the school house
And wrong is right in the white house
We need him right away, we need him right, right away

Have you ever needed the lord before?
If we ever needed the lord before
(Oh we need the lord)
We sure do need him now
(Right now, yes we do)
If we ever needed the lord before
(We should need him now)
We sure do need him now
(Hallelujah)

Listen, we all need the Lord
So let's, let's get on the [?]
The rich man need him, and the poor man need him too
And without God somebody tell me what would we do

If we ever (If we ever needed the lord) needed the lord before
(Yeah we need the Lord right now)
We sure do need him now
(If we ever needed, need the Lord)
If we ever needed the lord before
(This is the time right now)
We sure do need him now
(We sure do need him right now)
Oh, sure do need him now
(Oh Lord we need you right now)

Do I have the time to tell you one more?
(We sure do need him now)
Innocent [?] is been shared at the house
We've got a cloud [?] over our head, Yes we do
Lord we need you every day, every hour
(We sure do need him now)
We need your protection
(Oh, oh sure do need him now)

I have another one, listen, listen

Just you had the power, need some [?]
(We sure do need him now)
Not touch somebody, causing them so much pain, yes they are

(We sure do need him now)
Oh let me hear you [?], but Oh I'm fine now
(Oh, oh sure do need him now)

We don't have to live in fear, hallelujah
(Oh, oh sure do need him now)
We need you, we need you, we need you

(Oh we need him)
Yes we knew
(We need him now)
[?] Everybody we need him, yes we do
(We need him, we need him now)
We're like a ship without a sail, we need you Lord
(We need him, we need him now)
Somebody get a boy in death row, their mother need you
(We need him, we need him now)
Somebody is in hospice, the doctors gave them up to die
(We need him, we need him now)
But I demand you to wake up and live in Jesus name
(We need him ,Like never before)
Jesus, you told me I ask you, and I'm coming to your [?]
(We need him, we need him now)
Touch that mother, touch that father, touch, touch, touch
(We need him, we need him now)
Stop by the hospital Lord, in the name of Jesus
(We need him, we need him now)
Stop by, stop by, stop by the hospice, somebody need you
(We need him, like never before)
We need you, we need you Lord, Somebody tired all night long
(We need him, we need him)
[?], Cancer in their body, [?], Jesus we need you
(We need him, we need him now)
We need you, we need you, we need you, yes we do
(We need him, we need him now)
