

Nobody

Shirley Caesar

If you're lookin' for change in your life
Tired of that same old misery and strife
I've got the answer if you wanna know
Nobody but Jesus can do it
I'm a witness

Tryin' to hide when you walk outside
To cover up the bruises from a fight last night
The man that you married done lost his mind
Nobody but Jesus can do it
I'm a witness

You've got three kids, two cars, and home
One job ain't enough no more
Bill collector ringin' your telephone
Only Jesus can do it
I'm a witness

Nobody (nobody but Jesus can do it)
Nobody (He can make a way for you)
Nobody (nothings impossible)
Jesus can do it
I'm a witness
Nobody (nobody but Jesus can do it)
Nobody (if you'll let Him in you life)
Nobody (He'll heal you and He'll save you)
Jesus can do it
I'm a witness

No home and your living in the street
Searching here in there for some food to eat
And it feels like you want get to see next week
Nobody but Jesus can do it
I'm a witness

Doctor, doctor said it ain't no cure
Something in your blood and it don't look good
I know a God who can heal your body for sho'
Nobody but Jesus can do it
I'm a witness

Real quick go find me a man
Bout' to give up cause' he don't understand
Before you walk away
Let me hear you say
Nobody but Jesus can do it
I'm a witness

Everybody tryin' to find a way
Jesus is the answer
He's the only way
Let Him in your life and you will soon say
Nobody but Jesus can do it
I'm a witness

Jesus
Nobody but Jesus

Nobody but Jesus
(Nobody) Nobody
