

## Peace In The Midst Of The Storm

Shirley Caesar

When the world that I've been  
Living in collapses at my feet  
And when my life is all tattered and torn  
Though I'm wind-swept, I've been battered  
I'm gonna cling unto His cross  
I'll find peace in the midst of the storm  
(Is that alright?)

There is peace in the midst of the storm-tossed life  
There is an Anchor, there is a rock to build my faith upon  
Jesus Christ is my vessel so I fear no alarm  
He gives me peace in the midst of the storm

In my twenty-four short hours  
Years of living are brought to moments  
When life's final picture is taking form  
In the dark-room of my suffering  
I see a light that's coming and it's shining through  
(You know what)  
He gives me peace in the midst of the storm

Now when my spirit has been broken  
Till it's masked by misery  
When the doctor shakes his head and look forlorn  
(You know what?)  
Jesus comes to make my bedside  
A cathedral of faith and love  
He'll give you peace in the midst of the storm

There is peace in the midst of the storm-tossed life  
There is an Anchor, there's a rock to build my faith upon  
(Hallelujah, Hallelujah)  
Jesus Christ is my vessel so I fear no alarm  
Won't God give you peace in the midst of the storm?  
He'll give you peace in the midst of the storm
