

# Rejoice

Shirley Caesar

From sinking sand the Lord lifted me  
Come on lift him up, Ann, sing  
In his own loving hands Jesus lifted me  
Sing, Ann  
Since the Lord God saved me and brought me to the light  
I can rejoice because everything is alright

Rejoice, it's alright  
Rejoice, it's alright, rejoice  
Oh rejoice, it's alright  
Rejoice, it's alright, rejoice

If you'd only trust him, he'll do the same thing for you  
Just like he blessed me, he can do the same thing for you  
When you release your fate to him and let him lead the way  
You can go your way shouting the victory and this is what you'll  
say

Rejoice, it's alright  
Rejoice, it's alright, yeah rejoice  
Rejoice, it's alright  
Rejoice, it's alright, rejoice

When you're lonely, when you're sad, call on Jesus, he'll make  
you glad  
He's the one, the only one to give you the victory

Rejoice, it's alright  
Rejoice, it's alright, rejoice  
Rejoice, it's alright  
Shout if you wanna, it's alright  
God told me to tell you it's alright  
It's alright, yes it is  
It's alright to be a witness  
It's alright to wave your hand  
The bible said that everything that had breath to praise him, p  
raise the Lord  
Now come on everybody, let's leap for joy  
Praise him if you wanna  
It's alright
