

Why did I choose you?

Shirley Horn

Why did I choose you?
What did I see in you?

I saw the heart you hide so well
I saw a quiet man who had a gentle way
A way that caught me in its glowing spell

Why did I want you?
What could you offer me?

A love to last my whole life through
And when I lost my heart so many years ago
I lost it lovingly and willingly to you

If I had to choose again
I would still choose you
