

## Wild Is the Wind

Shirley Horn

Love me, love me, love me, say you do  
Let me fly away with you  
For we're creatures of the wind  
And wild is the wind

Give me more than one caress  
Satisfy this hungriness  
For my love is like the wind  
And wild is the wind

You touch me  
I hear the sound of mandolins  
You kiss me  
And with the kiss my life begins  
You're spring to me  
All things to me  
You're life itself

Llike the wind blows through the trees  
Oh my darling, cling to me  
For my love is like the wind  
And wild is the wind, the wind  
Wild is my love for you
