Aha makrehtch ngoulik achnou baghi but it's just so hard

I never look bad And I never look back
J'ai ton sourire en tête que des flashbacks
Et avec eux j'fais genre mais j'peux pleurer pour l'back
Tell me why you make me feel so sad
Sème le vent Faux semblant
Tu veux faire que jouer
Mais on est plus des enfants
J'ai appris à prendre mon temps
Les bitch ça va ça vient un peu comme le vent
What you're telling me
What you see
I'm just tryna go down down down down
You've been feeling so sad you see
Now I feel bad bad bad bad bad

3tini yddik let's just getaway let's make up for the other time
s ghan3awdou koulchi men louwel dazo ch7al but you're still the
one

That's a sad situation wakha kanban lik ferhan

I know I did you wrong dakchi 3lach kankteb hadchi now
Kan3ref ghi ndir mossi9ti m3ak ma3reftch nkoun fennan
