Michelle Shocked

**G D9 C D**  
I took time out to write to my old friend  
**G D9 C D**  
I walked across that burning bridge  
**G D9 C D G C**  
I mailed my letter off to Dallas but her reply came from  
**D G**  
Anchorage, Alaska

**G D9 C D**  
She said, Hey girl, it's about time you wrote  
**G D9 C D**  
It's been over two years, my old friend  
**G D9 C D**  
Take me back to the days of the foreign telegrams  
**G D9 C D**  
And the all night rock and rolling  
**G D9 CD**  
Hey `Chel, we was wild then

Hey `Chel, you know it's kinda funny  
Texas always seems so big  
But you know you're in the largest state in the Union  
When you're anchored down in Anchorage

Hey girl, I think the last time I saw you  
Was on me and Leroy's wedding day  
What was the name of that love song you played?  
I forgot how it goes  
I don't recall how it goes

## Anchorage

Anchored down in Anchorage

Leroy got a better job so we moved  
Kevin lost a tooth, he's started school  
I've got a brand new eight month old baby girl  
I sound like a housewife  
Hey `Chel, I think I'm a housewife

Hey girl, what's it like to be in New York?  
New York City, imagine that  
What's it like to be a skateboard punk rocker?  
Leroy says send a picture  
Leroy says hello  
Leroy says keep on rocking, girl  
Keep on rocking
